

# Pinball Garage

1

## Getting Ready:

I will wear comfortable clothes and shoes.  
I might bring ear protection if I don't like loud sounds.  
I can bring money to play pinball machines.

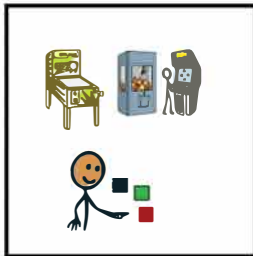

2

## Arriving at Pinball Garage:

We will drive to Pinball Garage and park the car.  
There may be flashing lights, game sounds, and music.  
I will stay with my group and listen to instructions.

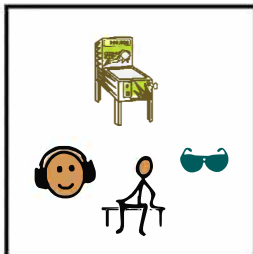

3

## Playing Pinball:

I can choose which machines I want to try.  
I will take turns and try my best.  
I can play as much or as little as I want.

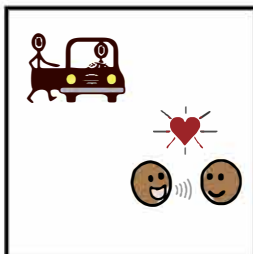

4

## Sensory Tips:

Pinball games can be bright and noisy.  
If I need a break, I can sit in a quieter area.  
I can bring headphones or sunglasses to feel better.

5

## Leaving Pinball Garage:

When I am finished, I will head to the car.  
I can share what game I liked the most.  
I can visit again another day!
