

Richard and Carole Cocks Museum of Art

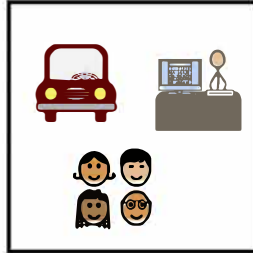

1

Getting Ready:

I will wear comfortable clothes.
I might bring a water bottle in case I get thirsty.
I will use the bathroom before I start exploring.

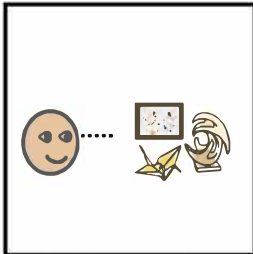

2

Arriving at the Museum:

We will drive to the Richard and Carole Cocks Museum of Art.
When we arrive, we will go inside and see the front desk.
There may be other people visiting the museum.

3

Exploring the Museum:

The museum has paintings, sculptures, and other artwork.
I will look at the art carefully.
I will use my eyes to look at the art but not touch it.

4

Sensory Tips:

The museum is usually quiet, there might be soft music and people talking. If I need a break, I can find a bench or step outside for fresh air. If I feel overwhelmed, I can wear headphones or take deep breaths.

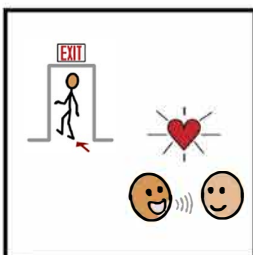

5

Visiting Special Exhibits:

Some exhibits might have videos or interactive displays.
I will follow the rules and listen to instructions from museum staff.
If something is too bright or loud, I can look away or move to a quieter area.

6

Leaving the Museum:

When I am done, I will go back to the exit.
I can talk about my favorite pieces of art with my family or friends.
I can come back another day to see more art.
