

Salty Dog Museum

1

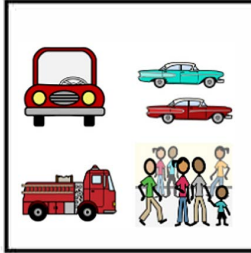

Getting Ready:

I will wear comfortable clothes and shoes.

I might bring ear protection if I am sensitive to sounds.

I can bring water and a camera if I want to take pictures.

2

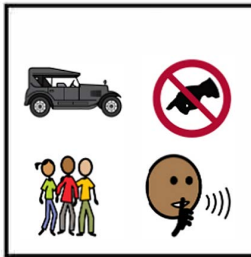

Arriving at the Museum:

We will drive to the Salty Dog Museum and park the car.

The museum has classic cars, firetrucks, and auto displays.

There may be other people walking around looking at the cars.

3

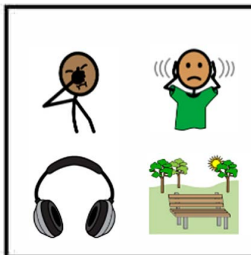

Exploring the Museum:

I will see old cars and firetrucks from a long time ago.

I will be careful and not touch the displays unless told it's okay.

I will stay with my group and use a quiet voice.

4

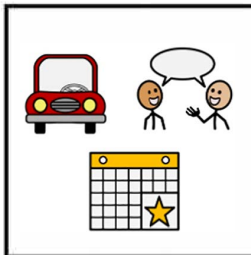

Sensory Tips:

Some rooms might smell like oil or engines.

There might be loud sounds. I can wear headphones if needed.

If I feel tired or overwhelmed, I can take a break outside.

5

Leaving the Museum:

When we are done, we will go back to the car.

I can talk about my favorite vehicle.

I can come back again to see more!
