

# The WEB Extreme Entertainment

1

## Getting Ready:

I will wear comfortable clothes and shoes.  
I might bring ear protection if I don't like loud places.  
I can bring money to play games.

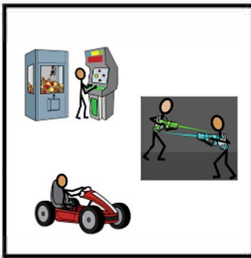

2

## Arriving at The WEB:

We will drive to The WEB and park the car.  
There may be a lot of games, lights, and sounds.  
I will stay with my group and follow the rules.

3

## Playing Games:

I can play arcade games, laser tag, mini golf, or go-karts.  
I will take turns and be kind to others.  
I can choose what I want to try and stop anytime I need.

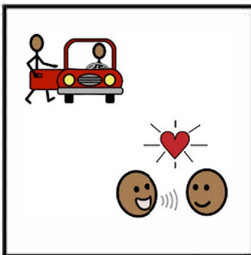

4

## Sensory Tips:

The games may have flashing lights and make loud noises.  
If it's too much, I can take a break in a quiet spot or go outside.  
I can wear headphones or sunglasses to feel more comfortable.

5

## Leaving The WEB:

When we are finished, we will return our gear and go to the car.  
I can talk about my favorite game or activity.  
I can visit again for more fun!
